GRANDS PRIX DU DESIGN

2. **Client Information**

   Client, Manufacturer, or School
   If this information is confidential (e.g., for residential projects), check the "Confidential" box. These details will help media outlets promote your project or product. *Name / Country / City / Website*

3. **Digital Medias of the Project/Product**

   A. Cover Image (mandatory)
   This image will serve as the identification and presentation for your project. Choose the best visual representation possible.

   B. Project/Product Images
   - You may submit up to 10 images per category. For two categories, 20 images; for three categories, 30 images, etc.
   - Accepted formats: JPG and PNG.
   - 3 to 5 images must have a minimum resolution of 300 DPI and a dimension of at least 10 inches on one side. These images may be published in the INT.DESIGN magazine if your project is selected as a winner.
   - Images must not contain added names or logos. However, elements integrated into the scene, such as signage on a building facade, an entrance hall, or branding images, are allowed.
   - Do not resubmit your cover image at this stage.
   Ensure you have submitted at least 5 images per category entered.

4. **Explanatory Text of the Project/Product**
   Project/Product Description (Max 3000 characters, including spaces). Your text will be automatically translated. At a later stage, you will have the option to approve it as is or modify it as needed.

5. **Additional Documents & Information**
   Additional materials for the jury, such as explanatory texts, multipage PDF files, videos, layout plans, technical drawings, final renderings, 3D representations, site plans, and technical specifications.

   A. Project/Product Presentation Text by Category (for some of the categories)
   (Max 3000 characters, including spaces)
   Describe how your project/product stands out in this category. Highlight its unique features, innovations, and remarkable aspects. This text should help the jury understand why your project/product deserves recognition. (Your text will be automatically translated. You will be able to approve or modify it in the next step.)

   B. Additional Files: Multipage PDF files, layout plans, technical drawings, final renderings, 3D representations, site plans, and technical specifications.

6. **Translation**
   The competition website is available in Canada's two official languages: French and English. All content can therefore be viewed in both languages. You may enter your text yourself in French and English, or have the system automatically translate it into the other language.
   Note: if you choose automatic translation, you'll be able to approve or edit it at a later stage before publication.

7. **Preview**
   Correction and final approval.
