TWO EVENINGS TO CELEBRATE DESIGN EXCELLENCE

On October 16 and November 13 in Montreal, the GRANDS PRIX DU DESIGN Awards unveiled its winners over two galas, bringing together more than 900 professionals from the fields of design, architecture, and the creative industries.

A REFERENCE AND A SEAL OF EXCELLENCE

Prestigious and respected, the GRANDS PRIX DU DESIGN Awards is an international distinction that celebrates excellence and the talent of creators and companies who stand out through exemplary practice. An award granted by the competition serves as an independent seal of quality, recognized worldwide as a benchmark of design excellence and a lasting mark of achievement.

INTERNATIONAL JURY

Each year, the GRANDS PRIX DU DESIGN Awards brings together a distinguished panel of more than one hundred internationally renowned experts in architecture, design, planning, research, and media. Every project is evaluated with rigor, fairness, and integrity, ensuring that each award truly reflects excellence. Being recognized by this world-class jury is more than an honor; it is a mark of trust, prestige, and international visibility that strengthens the reputation of both firms and their clients.

ABOUT THE GRANDS PRIX DU DESIGN

Founded in Montreal, the GRANDS PRIX DU DESIGN Awards celebrates excellence in architecture, construction and real estate, interior design, product design, communication and branding design, landscape and territories, lighting, and art and photography. A GRANDS PRIX DU DESIGN distinction serves as an independent seal of excellence, an outstanding indicator of success, and a recognized benchmark of design achievement for firms, their teams, and their clients. Through its international juries, galas, and publications, the competition shines a spotlight on projects and talents that enhance quality of life and the built environment around the world.

ABOUT INT.DESIGN

Founded in 1996, INTÉRIEURS—now INT.DESIGN—remains a leading reference in design and architecture in Québec and internationally. The magazine highlights the ideas and projects that shape our environments. Each year, two special editions are dedicated to the GRANDS PRIX DU DESIGN Awards, along with the PEOPLE Edition, which focuses on the personalities and professionals shaping the industry. The print version offers bilingual reading in French and English, while the online platform presents content in bilingual, French-only, or English-only formats.
